Victims and survivors of child sexual abuse will be heard by the Truth Project. #Beheard.

#InquiryCSA Chair Alexis Jay: “We cannot change what went wrong in the past but by talking to the Truth Project, together, we can help to protect the next generation. The experiences victims and survivors of child sexual abuse share with the Truth Project can help keep children safe in future, so that institutions and individuals can never again say, ‘We did not know’.”

Dru Sharpling #TruthProject Head: “Victims and survivors of child sexual abuse often tell me they’ve been silenced, ignored and failed by organisations they trusted.” #Beheard.
